Special Workshop and Information Session

Proposed Site Plan Review Ordinance

**At Chelsea Town Office
March 26, 2018 at 6:00 p.m.**

Discussion regarding proposed Site Plan Review Ordinance

The Planning Board is extending invitations, at a minimum, to Steve McGee, a local business person, and Jim Pepin a local real estate agent, to attend and provide their perspective on the ordinance as it relates to future commercial development.

Members of the public who are interested in learning more about the ordinance, or who may have questions or comments about the ordinance, are also invited and encouraged to attend.
